

Care Collection

Oliveri

We are thrilled to announce that Oliveri is expanding into care products designed specifically for people with disabilities or mobility issues. We believe that everyone deserves access to high-quality, affordable and reliable Oliveri products that meet their unique needs and preferences no matter their circumstance.

Oliveri is committed to serving the disability community by providing products that make daily living easier, more comfortable and more enjoyable without compromising on quality.

We recognise that people with disabilities face numerous challenges in their lives, including limited mobility, sensory impairments and other health conditions. We want to address these challenges by offering a range of products that are specially designed to meet the needs of people with disabilities. We have worked closely with DDA Disability Access Consultants to ensure that our products are effective, safe and user-friendly.

Our team at Oliveri is passionate about helping people with disabilities to live their lives to the fullest and we believe our Care range products can make a real difference in the lives of our customers.

Thank you for your support and trust and we hope you find this new range empowering and transformative.
