Manhattan | Americas choice

Inspired by the country where they like their appliances a little bigger than the rest of the World, Oliveri have recognised this need for extra size and have created a range of extra capacity sinks manufactured from 1.2mm brushed finished stainless steel that work in harmony with the other larger cooking appliances in your kitchen. These spacious sinks are capable of accommodating the largest of baking trays, roasting dishes or woks. When size matters the only choice is Oliveri Manhattan or Titan.

Recommended tapware

Features

Twice the space
Titan's extra wide, deep bowl allows you to fully immerse baking trays and pans.

Superb Bowl
Manhattan sinks have one of the largest capacity bowls in the Oliveri Range.

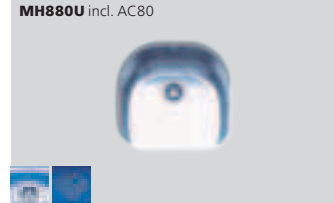

18 Gauge Stainless Steel
Nothing lasts as well as stainless steel, and your 18 gauge (1.2mm) Oliveri sink will endure many years of daily use.

720+ Extra Wide Bench top
Size does make a difference. The super size of the Manhattan requires a larger 720mm bench top. (MH880U excluded)

18/10 Stainless Steel
Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel.

Oliveri Logo
The Oliveri signature represents over 60 years of world class sinkware manufacture in Australia.
