## Nu-Petite® | Capacity with style

Style, Beauty & Functionality does not come about by chance. The Oliveri Nu-Petite features all these factors in a range that includes traditional inset sinks with a stylish, modern drainer design to the more compact style of bowl only inset and undermount sinks. The 30 litre main bowl is capable of accommodating the largest of kitchen utensils with ease. Ideally suited in a highly efficient kitchen the Nu-Petite transforms into hygienic food preparation area when the custom made accessories supplied standard with each Oliveri Nu-Petite sink are put to use.
